DEDICATION

The editors and staff of the Davis Wolfpack proudly dedicate the 1982 edition to Mr. Howard Hanni. Mr. Hanni has been a member of the DHS faculty for twenty-two years. Over the years he has displayed sincere interest in the students of Davis High School. His accomplishments, through his students, are too numerous to recount on this page. His efforts, on behalf of the Davis school system and his students, have been untiring, unselfish, and unceasing. We would like Mr. Hanni to know that these accomplishments have been noticed and we care as much as he does.

STUDENT COUNCIL

Student Council finished another big year at D.H.S. with some new ideas and a lot of great return engagements. The whole year was kicked off as we rallied behind the Davis Wolves and the 1981 football season. Sign parties and spirit sticks were the order of the day. While the whole world read about and watched Lady Di's every move, the student council began preparations for OUR homecoming royalty. With rain threatening every day the council launched a host of lunch time activities to promote homecoming spirit. Who will forget watching Lori Carroll give Butch Bond a real run for his money in the pie eating contest or the two contestants in the banana feed that had to finish the banana that had rolled quite some distance down Fourth Street! After one of the biggest parades we've seen in some time, all eyes turned to the big game with the Healdton Bulldogs and the coronation. England had nothing on us as the football team, band, cheerleaders, and twirlers helped us crown our own Dian US Homecoming Queen.

By Christmas the council was ready for their annual caroling and pizza party. This year we had the added pleasure of joining the F.C.A. huddles for our festivities and of waking Mr. McKee with our rousing rendition of Jingle Bells.

Once construction of the new gym began we found ourselves short one parking lot so the council tried its hand at problem-solving as we all looked for parking places. By the second half of the year the council again ran the ever popular Hush-Hush-Heart Day, another homecoming (actually two, one got snowed out) and the infamous Sh! Sh! Shamrock Day. All in all we think the Davis High School Student Council had another great year of helping make D.H.S. great.

OKLAHOMA'S "THEME PARK"

**8 Mile Scenic Drive Thru
Over 2,000 Exotic Animals**

The scenic beauty of this drive through the animal park located in the Arbuckle Mountains is in itself, a rare experience enhanced by hundreds of animals running free. We are different from other parks and zoos in that our animals are not controlled in small fenced pastures. We believe animals need to be free and this is one of the reason for Arbuckle Wilderness.

CONGRATULATIONS Cherita and Seniors of '82!

Compliments of
Debbie Ashford Vanlandingham

The 1982 yearbook has been a challenge for everyone involved. We, the staff, admit we are not the most experienced around, but we have tried to preserve memories from the school year 1981-82 for the readers to look back on. If the reader finds enjoyment and satisfaction within these pages, our job has been worthwhile.

We would also like to give special thanks to our sponsor, Mr. Robert Jennings, who was always there to provide guidance and understanding. 1982 Wolfpack Co-Editors.
